DECEMBER 'PROTECTING YOUR PROFITS' CALL TO BE HELD

Zepp to Review Market Fundamentals at Noon on December 19

Harrisburg, Pa. – The Center for Dairy Excellence’s monthly “Protecting Your Profits” call will be held Wednesday, December 19, at noon. The call will be led by Alan Zepp, risk management program manager with the Center.

“Market fundamentals are slowly moving in the right direction, but strong milk production and inventories are holding dairy prices down. We will discuss these dynamics, the new Dairy Margin Coverage proposal and the new Dairy Revenue Protection insurance policy with how these new tools can fit into a sound dairy farm marketing plan on the next conference call,” Zepp said.

All are welcome to participate at no cost. To register and obtain the conference line information, please call 717-346-0849, or email Alan Zepp at azepp@centerfordairyexcellence.org.

The call will start promptly at noon and last approximately 30 minutes. Calls are recorded and posted on the Center for Dairy Excellence website under the “Dairy Information” tab for those who are unable to join the live session.
