### **February 'PROTECTING YOUR PROFITS' Call to be Held** *Zepp to Review Market Fundamentals at Noon on February 21*

**Harrisburg, Pa.** – The Center for Dairy Excellence’s monthly “Protecting Your Profits” call will be held Wednesday, February 21, at noon. The call will be led by Alan Zepp, risk management program manager with the Center.

Markets anticipate that MPP margins will fall under \$7.00 in the next few months. We will provide a short summary of market fundamentals and Cynthia Walters, agricultural program specialist with the Pennsylvania State Farm Service Agency, will discuss recent changes to the Margin Protection Program.

Join the Center for a short discussion on the fundamentals behind these market moves. All are welcome to participate at no cost in the upcoming “Protecting Your Profits” conference call. To register and obtain the conference line information, please call (717) 346-0849, or email Alan Zepp at [azepp@centerfordairyexcellence.org](mailto:azepp@centerfordairyexcellence.org).

The call will start promptly at noon and last approximately 15 minutes. Calls are recorded and posted on the Center website under the “Dairy Information” tab for those who are unable to join the live session.

###

The Center for Dairy Excellence is a non-profit organization initiated by the Pennsylvania Department of Agriculture in 2004. Bringing together people from more than 40 different dairy organizations in Pennsylvania, the center’s mission is to enhance the profitability of the dairy industry by empowering people, creating partnerships, and increasing the availability and use of resources.
