Harrisburg, Pa. – The Center for Dairy Excellence’s monthly “Protecting Your Profits” call will be held Wednesday, May 24, at noon. The call will be led by Alan Zepp, risk management program manager with the Center.

Class III milk futures prices recently pushed up to \$17.00 for early fall, while USDA lowered their 2017 milk production estimates. Anticipated MPP margins for the rest of the year are around \$10.00. Join the Center for Dairy Excellence for a brief discussion on the fundamentals behind these numbers. Zepp will also discuss LGM-Dairy and Margin Protection Program results, as well as marketing plan possibilities.

All are welcome to participate at no cost in the upcoming “Protecting Your Profits” conference call. To register and obtain the conference line information please call 717-346-0849, or email Melissa Anderson at manderson@centerfordairyexcellence.org.

The call will start promptly at noon and last approximately 15 minutes. The calls are recorded and posted on the Center for Dairy Excellence website under the “Dairy Information” tab for those who are unable to join the live session.
