Format for today

- Introductions by first name
- Review basics of teams
- A few questions for you
- Sharing of struggles
 - What is needed?
- Sharing of successes
- Wrap up by 11:30

Penn State **Extension**

Successful teams

- Have a common purpose and shared goals
- Use data well for making progress
- Struggle sometimes (that's ok!)
- Have better results than going it alone!

- This hour is designed to help you evaluate where your team is now and what you need to continue to succeed.

Penn State **Extension**

Questions for you!

- What goals/objectives have you set and how well are they being met?

- Describe the communication in your team (great, doing ok, could be better)?

Penn State **Extension**

Has your team . . .

- Used cost of production calculations?
- Calculated income over feed cost?
- Developed cash flow plans?
- Discussed risk management strategies?

Penn State **Extension**

Struggles

- Describe one area where your team has struggled or where you would like for the team to improve.
- Is there something that we can help with?

Penn State **Extension**

Successes!

- Please share one success that your team has celebrated!
